

hack club: the game

Build projects, then compete in an IRL adventure game across Manhattan

STEP 1:

Code any project for 40 hours and earn coins for each project shipped!

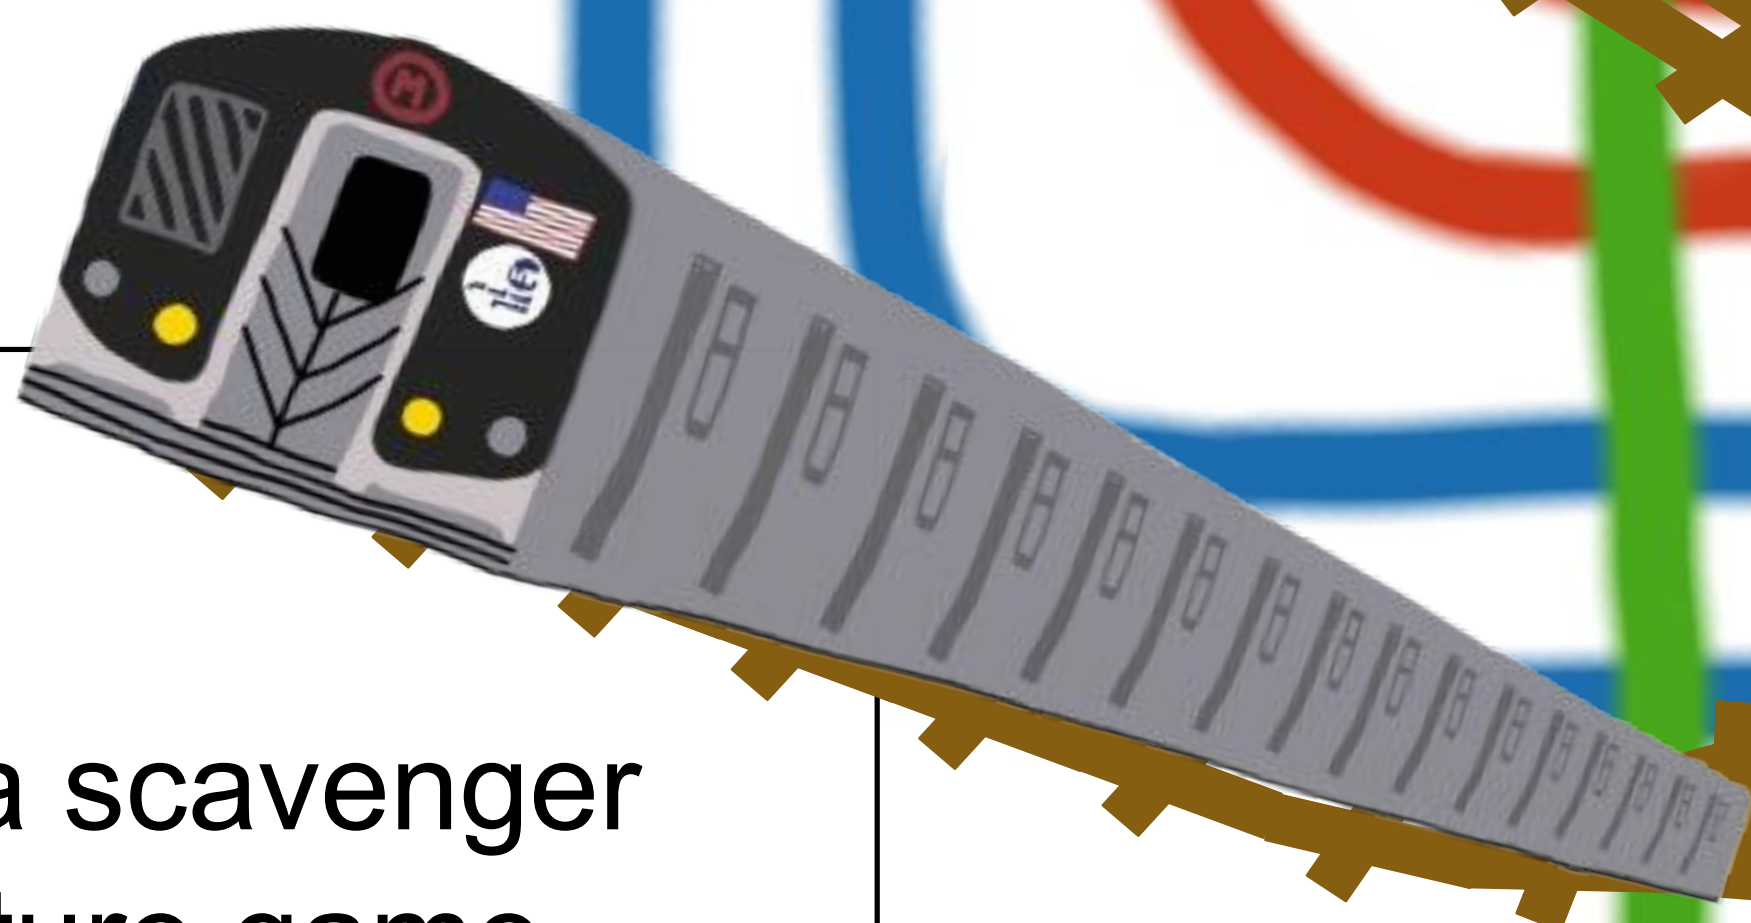

STEP 2:

After you qualify, you'll get assigned to a house! Create your teams, strategize, & get ready for the game!

STEP 3:

Embark in a scavenger hunt adventure game where you complete challenges & outplay your competitors for the win!

Search high & low no more!
